

TABLE OF CONTENTS

Executive Summary	ES-1
--------------------------------	------

Section I. Introduction

Background	I-1
Plan Overview	I-1
Purposes	I-4
Goals and Objectives	I-5
Roles and Responsibilities.....	I-5
State and Federal Regulations and Programs	I-8

Section II. Regional Water Quality Assessment

Overview	II-1
Standards and classifications	
Surface Water	II-1
Groundwater	II-3
305 (b) Report	II-4
303(d) List and Total Maximum Daily Loads (TMDL)	II-7
303(d) Monitoring and Evaluation list	II-9

Section III. Regional Policies

Policy 1 - Development and Design.....	III-2
Policy 2 - Riparian and Wetland Areas	III-4
Policy 3 –Source Water Drinking Protection.....	III-6
Policy 4 – Stormwater and Urban Runoff	III-8
Policy 5 – Agriculture and Silviculture	III-10
Policy 6 – Water and Wastewater Treatment Facilities	III-11
Policy 7 - Water Quality Management Associations	III-13

Section IV. Population Projections

Projection Methodology	IV-1
Teller County Management Area Population Projections	IV-5
Upper Monument Management Area Population Projections.....	IV-6
Mid-Monument Management Area Population Projections.....	IV-7

Lower Fountain Management Area Population Projections.....	IV-8
Upper Black Squirrel Population Projections	IV-9
Park County Population Projections.....	IV-10
Conclusions	IV-10

Section V. Environmental, Social and Economic Impacts of Plan

Environmental Impacts	V-1
Social and Economic Impacts	V-2

Section VI. South Platte and Upper South Platte Watersheds

Section VIA. Introduction and Overview

Introduction and Overview	VI-1
Land Use Description	VI-3
Population and Socioeconomic Characteristics	VI-4
Characterization of Watershed Issues and Activities	VI-4
Summary of Major Planning Efforts	VI-5

Section VIB. Water Quality Analysis

South Platte Wild and Scenic River Study	VI-6
Surface Water	VI-6
Park County Peatlands	VI-25
Wetlands	VI-28
Conclusions	VI-29
Water Quality Monitoring Network	VI-31
Spatial and Temporal Trend Analysis	VI-34
Regulatory Listing	VI-36
Groundwater	VI-38
Water Quality	VI-38

Section VIC. Point Source Dischargers

Overview	VI-43
Future Needs Assessment	VI-43
Industrial	VI-46
Municipal	VI-46

Section VID. Nonpoint Source Assessment

Agriculture and Silviculture VI-64
Hydrologic Modification VI-66
Solid Waste Disposal VI-70
Construction VI-71
Land Use and Development Plans VI-71
Urban Runoff VI-72
Recreation VI-72
Resource Extraction..... VI-73
Onsite Wastewater Systems VI-73

Section VIE. Water Quality Management Associations and Watershed Based Groups

Teller County Water Quality Management Association..... VI-76
Coalition for Upper South Platte VI-76
Park County Advisory Board on Environment VI-77
Water Conservancy Districts VI-78
Chatfield Basin Authority VI-78

Section VIF. Conclusions and Recommendations

Conclusions VI-80
Recommendations VI-80

Section VII. Upper Arkansas Watershed

Section VIIA. Introduction and Overview

Introduction and Overview VII-1
Land Use Description VII-1
Population and Socioeconomic Characteristics VII-3
Characterization of Watershed Issues and Activities VII-3

Section VIIB. Water Quality Analysis

Surface Water VII-4
 Monitoring..... VII-8
 Regulatory Listing VII-8
Groundwater VII-8

Section VIIC. Point Source Dischargers

Overview VII-13
Future Needs Assessment VII-13
Industrial VII-15
Municipal VII-15

Section VIID. Nonpoint Source Assessment

Resource Extraction..... VII-23
Onsite Wastewater Systems VII-25

Section VIIE. Water Quality Management Associations and Watershed Based Groups

Teller County Water Quality Management Association..... VII-26

Section VIIF. Conclusions and Recommendations

Conclusions VII-27
Recommendations VII-27

Section VIII. Fountain Creek Watershed

Section VIIIA. Introduction and Overview

Introduction and Overview VIII-1
Land Use Description VIII-1
Population and Socioeconomic Characteristics VIII-1
Characterization of Watershed Issues and Activities VIII-3
Overview of Watershed Activities VIII-4

Section VIIIB. Water Quality Analysis

Surface Water VIII-6
 Water Quality Monitoring Network VIII-11
 Spatial and Temporal Trend Analysis VIII-14
 Regulatory Listing VIII-17
Groundwater VIII-17

Section VIIIC. Point Source Dischargers

Overview VIII-20
Future Needs Assessment VIII-22
Industrial VIII-24
Municipal VIII-24

Section VIID. Nonpoint Source Assessment

Agriculture and Silviculture VIII-52
Resource Extraction VIII-53
Urban and Stormwater Runoff VIII-53
Onsite Wastewater Systems VIII-57
Hydrologic Modification VIII-59

Section VIIIE. Water Quality Management Associations and Watershed Based Groups

Upper Monument Water Quality Management Association VIII-61
Mid Monument Water Quality Management Association..... VIII-64
Upper Fountain Water Quality Management Association..... VIII-64
Lower Fountain Water Quality Management Association VIII-65
El Paso County Water Authority VIII-65
Fountain Creek Watershed Technical Advisory Committee VIII-65

Section VIIIF. Conclusions and Recommendations

Conclusions VIII-67
Recommendations VIII-67

Section IX. Chico Creek Watershed

Section IXA. Introduction and Overview

Introduction and Overview IX-1
Land Use Description IX-1
Population and Socioeconomic Characteristics IX-1
Characterization of Watershed Issues and Activities IX-3
Overview of Watershed Activities IX-4

Section IXB. Water Quality Analysis

Surface Water IX-6
 Water Quality Monitoring Network IX-11
 Spatial and Temporal Trend Analysis IX-14
 Regulatory Listing IX -17
Groundwater IX -17

Section IXC. Point Source Dischargers

Overview IX -20
Future Needs Assessment IX -22
Industrial IX -24
Municipal IX -24

Section IXD. Nonpoint Source Assessment

Agriculture and Silviculture IX -52
Resource Extraction IX -53
Urban and Stormwater Runoff IX -53
Onsite Wastewater Systems IX -57
Hydrologic Modification IX -59

Section IXIE. Water Quality Management Associations and Watershed Based Groups

Upper Monument Water Quality Management Association IX -61
Mid Monument Water Quality Management Association..... IX -64
Upper Fountain Water Quality Management Association..... IX -64
Lower Fountain Water Quality Management Association IX -65
El Paso County Water Authority IX -65
Fountain Creek Watershed Technical Advisory Committee IX -65

Section IXF. Conclusions and Recommendations

Conclusions IX -67
Recommendations IX -67

Section X. References

APPENDIX A	Site Application Review Process	A-1
APPENDIX B	208 Plan Amendment Process	B-1
APPENDIX C	Public Comments	C-1
APPENDIX D	Best Management Practices – Urban and Construction; Mining and Agriculture Activities.....	D-1
