7. **COMMUNITY GUEST AND PROVIDER PRESENTATIONS**
8. **TRAINING / INFORMATION SHARING / COORDINATION OPPORTUNITIES**
  - A. Debrief Specialized Transit Plan community meetings. Chair Rumsey recapped that the plan is tracking through 2050 and does an update every five years. There have been 6 stakeholder meetings and they have specific focus groups working on needs and strategic planning. It was discussed to engage hospital schedulers and social workers more (hospital administrators are in attendance), skilled nursing facilities, senior housing resident councils. Also, acknowledged the need to get this document to state level elected officials. PPACG Board elected officials are aware of the needs and plans but state legislation does not seem to align with the plan.
  - B. Review legislation on transportation and transit. Chair Rumsey highlighted a few of the bills: Increasing CDOT budget, statewide transit passes, pedestrian safety, emission remedies, transit oriented communities.

**C. Information Sharing**

CDOT has super call for capital projects.

City of Fountain – 3/18 is National Driver Appreciation Week

Downtown Partnership – drafting the State of Downtown report

Silver Key – has received the CDOT contract for used vehicle purchase

Teller Senior Coalition – vehicles with all wheel drive have made an impact this winter

City of Colorado Springs – prepping for spring service changes
